Huddleston Hall, the new men's dormitory on the campus of Clarke College, Newton, was formally dedicated in appropriate exercises on Thursday of last week.

The outdoor dedication service, presided over by President W. Lowrey Compere, was held on a platform on the cam-

pus opposite the new building. The service was held at 1:30 p. m. following a special luncheon held in the college dining room at 12:30 in honor of Mrs. A. O. Huddleston, widow of the late Mr. Huddleston, of Leland, for whom the building is named.

Attending the luncheon were

members of the faculty and staff of the college, the college's Board of Trustees which had held a meeting that morning, and specially invited guests.

As the luncheon began a large number of the school's students marched into the dining hall, formed a line around the room

and welcomed the visitors in an unusual way.

The portrait of Mr. Huddleston was unveiled by R. Glen Eaves, college dean, who also spoke of the new facilities of the school.

Dr. W. Levon Moore, pastor of First Church, Pontotoc, and chairman of the college's Board

of Trustees, told of the future of the school.

The new facilities of the college and Baptist World Missions was discussed by Dr. Joe T. Odle, Editor of the Baptist Record.

The college choir, under leadership of Monroe McManus, student director, sang an an-

them, "The Lord Is My Shepherd."

Rev. Estus Mason, pastor of First Church, Crystal Springs,

a member of the Board of Trustees, led the responsive dedication service.

Outlook Good For Evangelism During Year '62

ATLANTA (BP) — If present trends in evangelism continue Southern Baptists may record one of their most fruitful years in winning the non-Christian to faith in Jesus Christ.

The prediction was made to the executive committee of the denomination's Home Mission Board by C. E. Autrey of Dallas, director of the agency's evangelism division.

"Many churches and some associations have reported more baptisms so far this year, than during the entire 12 months of last year," he said.

He was basing his comment on reports following evangelistic meetings held during the Spring, traditionally a time of concentrated effort in evangelism by the churches of the denomination.

One for Every 25

Last year Southern Baptist churches baptized 403,315 converts. This was one convert for every 25 members, and was an increase of nearly 17,000 over the previous year.

WOMAN, 85, BEGINS 143rd READING OF THE BIBLE

SPRINGFIELD, Mo. (RNS) — Bible reading emphasis among members of the Assemblies of God is being boosted by an 85-year-old woman in Hollister, Cal., who is reading the complete Bible for the 143rd time.

Denominational headquarters announced here that Mrs. Margaret F. Overman of the Hollister Assemblies of God church probably holds the world's record for reading the Bible — 142 times.

Mrs. Overman has been reading the Scriptures nearly every day since she was 14, and is now able to complete the entire Bible four times a year.

COLLEGE AID BILL NEARER ENACTMENT

WASHINGTON (BP) — Aid to church-related institutions will be a problem for Senate and House as they seek agreement on the college aid bill.

The House Rules Committee, after a three-month delay, agreed to allow conferees to try to work out a compromise on the Senate and House versions of the higher education bill.

The house bill calls for \$1.5 billion in both loans and grants for the construction of classrooms, libraries, science laboratories and dormitories in public, private and church-controlled colleges.

The senate version provides (Continued on Page 2)

grants to both public and private colleges for construction purposes. It is known that some of the Senate leaders are opposed to grants to church schools in the house bill.

State Couple Named To Argentina

Pastor and Mrs. Stanley D. Clark, of Shady Grove Church, near Ruth, were appointed missionaries to Argentina at the May meeting of the Southern Baptist Foreign Mission Board.

Telling the Board of his Christian experience, Mr. Clark said the church became his center of interest after he made a profession of faith in Christ at the age of 13. While a high school senior in Olia, La., he began an agonizing search for God's will for his life, a search which resulted in his decision to enter the ministry.

Received Challenge

Later, while a graduate theological seminary student, he found that his awareness of overseas mission needs was becoming more pointed and more personal, he said. Adding to this the challenge of a professor to "live daringly with the life that has been given you," he decided last year that he should become a missionary.

Mrs. Clark said her husband's decision helped her find the answer to her own search for God's will, a search which began when she dedicated her life to special Christian service at the age of 14. "Even at that early time," she said, "foreign missions seemed challenging." Later, she was inspired by the mission zeal of churches where she and Mr. Clark served.

Before going to the Ruth church in February, 1960, Mr. Clark was pastor of Elwood Church, Forest Hill, La., and of United Church, Jena, La.; a summer student worker in Oregon for the Home Mission Board; and instructor in speech and director of debate at Louisiana College, Pineville.

Caudill Tells of Debt To World

NEW ORLEANS, La. — "The Foreign Mission Board has 288 requests for new missionaries and \$3 million worth of material requested right now which cannot be supplied," R. Paul Caudill emphasized in a missionary day address at New Orleans Seminary May 3.

"It takes 6000 Southern Baptists to support one foreign missionary, whereas Scandinavian Baptists support one missionary per 500 members," Dr. Caudill said. "This indicates to me that we have not acknowledged our debt to the world."

The Memphis pastor also declared that Southern Baptists and seminary students in particular must accept their full scope of responsibility in the missionary enterprise. He cited figures to show that only 1 in 10 Africans, 1 in 600 Indonesians and 1 in 1900 Thais have heard the gospel of Christ.

98 Per Cent Of Japan Churches Slate Revivals

TOKYO, Japan (BP) — Nearly 98 percent of the churches in the Japan Baptist Convention will hold revival services next Spring as part of the nationwide "Baptist New Life Movement" evangelistic crusade.

Baptist leaders in Japan hope that 100 percent of their churches and missions will schedule revivals before the crusade begins.

A total of 146 Baptist churches and missions in Japan have already slated revivals in the crusade, scheduled March 31-May 5, 1963.

Plans confirmed by committees of the Japan Baptist convention call for five area-wide crusades in major Japan population centers including Sapporo, Osaka, Fukuoka, Kokura, and Tokyo.

Evangelist Billy Graham will speak in at least four of the five central crusades meeting in stadiums and large auditoriums.

Director Named

NEW YORK (BP) — Eugene Maston, graduate student at Columbia University, New York, has been chosen as the first Southern Baptist student director for New York City and United States Military Academy, West Point, N. Y. The position begins July 1.

His salary and expenses will be provided by the Student Department of Sunday School Board.

His work will be under the supervision of the Department of Training Union and Student Work of the Maryland Baptist State Mission Board, Baltimore, according to Sam A. High, secretary of the Maryland Department of Work, who announced the appointment.

Maston is the son of T. B. Maston, professor of Christian Ethics at Southwestern Seminary, Fort Worth.

Kentucky To Hold Special Fund Drive

MIDDLETOWN, Ky. (BP) — The executive board of Kentucky Baptist Convention approved here a multi-million dollar capital needs drive to benefit Kentucky Baptist colleges, Baptist Student centers and the state assembly.

While the final goal has not been adopted, it is expected to approach \$10 million. Professional fund-raisers will be employed and the campaign will probably start next year.

CATHOLICS IN U. S.

NUMBER 42,876,665

NEW YORK (RNS) — Roman Catholics in the 50 states now number a record 42,876,665, according to The Official Catholic Directory for 1962, just issued by P. J. Kennedy & Sons, New York.

This figure represents an increase of 771,765 over 1961, and a ten year increase of 12,451,650 or 40.9 per cent over the 30,425,015 recorded in 1952. The new total includes all families of the defense forces, at home and abroad, and the diplomatic and other services abroad. All figures were compiled as of January 1.

1915 Orphanage Experiment To Be Depicted By Painting

The campus of the Baptist Children's Village has recently been the scene of research for a painting which will depict an experiment conducted there in the year 1915.

This experiment made a significant and lasting contribution to medicine and to human life generally because it led doctors to the discovery that the dread disease, Pellagra, then gripping the State of Mississippi, was caused by certain dietary deficiencies, according to Paul N. Nunnery. Through the influence of Dr. Harvey L. Garrison, Sr., of

Jackson staff physician at the Children's Village for more than 35 years, along with others, including authorities at Mississippi State Board of Health the United States Public Health Service sent Dr. Joseph Goldberger, assisted by Dr. C. H. Waring, to Mississippi in an effort to learn more about Pellagra and the causes thereof.

Beginning late in 1914, and continuing well into 1915, the Baptist Children's Village, then known as Mississippi Baptist Orphanage, and its residents participated in the pro-

ject through use of a high protein diet prescribed and supervised by Dr. Goldberger and his associates.

As a result of this diet control, the fact that Pellagra was indeed caused by diet deficiencies was confirmed in Dr. Goldberger's mind. Thus, Mississippi's home for dependent children in the year 1915 made a monumental contribution to society.

Brooklyn continues as the largest diocese, with a population of 1,493,184.

The directory reports 128,430 converts to Catholicism, the ninth consecutive year the figure has exceeded 125,000. Total conversions for the past decade were listed at 1,354,968. The number of infant baptisms, the new directory re-

14 years under a commission from Parke-Davis has done a series of paintings on the "History of Pharmacy" and the "History of Medicine" visited Jackson and the Baptist Children's Village for almost a week early in May. With the cooperation of administration and trustees of the Baptist Children's Village gathered information he did research for a painting which he is preparing in the "History of Medicine" series, reproducing the scene in the dining room on the campus at the Children's Village in 1915 with Drs. Goldberger and Waring and their associates working with the children.

In conversation with Mr. Paul N. Nunnery, Mr. Thom developed the information that several men, presently in Mississippi, who lived at the Children's Village during these experiments were available for interviews.

Among these is W. C. Cathey of Jackson, and David E. Paterson of Wesson, who were, as boys, enrolled at the institution in 1915 and actually participated in the diet control. Mr. Cathey is now a member of the Board of Trustees of the Baptist Children's Village, serves as a member of the Executive Committee of that Board and is Chairman of its child care committee.

Dr. Garrison Interviewed

In addition to Mr. Cathey and Mr. Paterson, interviews were also had with Dr. Garrison and with Mrs. Carter of Magnolia, the widow of Dr. Carter who in 1915 was the Superintendent of The Children's Village.

Assisted by staff members at the Children's Village, Mr. Thom also did research in the Historical Commission at Clinton, examining their copies of The Baptist Record containing pictures and stories of the home for dependent children in the period 1910-1915.

Upon completion of work, a copy of the painting in color will be hung in the Administration building on the campus of the Children's Village.

Seminary Helps To Start New Kentucky College

LOUISVILLE (BP) — Kentucky Southern College, the newest member of the Southern Baptist college family, will use the campus of the Southern Baptist Convention's oldest seminary here to begin classes this fall.

President Rollin S. Burhans of the new college and a skeleton administrative staff established offices on the campus of Southern Seminary several months ago. Whitsitt Hall, one-time wing of the men's dormitory, has been converted into offices.

While waiting for the new college campus to be developed on Shelbyville Road east of Louisville, Kentucky Southern College will begin its first year on the seminary campus.

4,234 Baptisms In New Guinea

SYDNEY, AUSTRALIA (BWA) — There have been 4,234 baptisms in New Guinea since Australian Baptists opened mission work there in 1956, though a 12-month waiting period for instruction is required of all converts. This is one of the fastest growing mission fields in all the world. A total of 928 new converts were baptized during 1961.

These statistics come from the New Guinea Regional Committee of the Missionary Cooperation Council of which A. G. Dube is secretary.

McClendon Gets Scholarship

MILL VALLEY, CAL. (BP) — James W. McClendon, associate professor of Systematic Theology and Philosophy of Religion at Golden Gate Seminary, has been given a \$2100 fellowship grant by the American Association of Theological Schools. \$1.5 billion in loans only to four-year colleges, plus \$250 million in matching grants for junior colleges.

Private and church-related colleges would be included in the loan provision features in both bills. There is, however, a limited safeguard which is supposed to "take care" of the religious issue in aid to higher education.

Both measures contain provisions that would prohibit loans for academic facilities that are used for sectarian instruction, or as a place of worship, and any facility that is used primarily in connection with a school or department of divinity.

Rep. Adam Clayton Powell (D., N. Y.), chairman of the house education and labor committee, reportedly has indicated, after informal talks with some of the senate side, that the differences over grants could be solved. According to reports, he said conferees might limit private college grants to classrooms for science, mathematics and language instruction.

House Opposes Scholarships

The National Defense Education Act now permits loans to private schools to equip such classrooms.

Another problem for the conferees will be the matter of scholarship loans provided for in the Senate version. The house is strongly opposed to the scholarship feature.

The house rules committee did not clear the bill for conference until the managers of the house bill gave assurance in public hearing that they would not compromise on the scholarship feature without first giving the house an opportunity to vote on it. Such an understanding had previously been reached in private talks.

No Minister Shortage Seen Here, Syracuse Church To Ordain Four

SYRACUSE, N. Y. (BP) — Members of the First Southern Baptist Church here may not know of their denomination's declining seminary enrollment (a drop from 5001 to 4607 this year), but they seem to be doing something about it.

Four of the members will be ordained as ministers April 18 in services which are attracting the vice president of the Southern Baptist Convention and an official of the Home Mission Board. Three of them will enroll in Southern Baptist seminaries this fall, and the fourth will attend a college in the south.

The five-year old church was the second affiliated with the Southern Baptist Convention in

the northeast. Since its constitution in 1957, the congregation has sponsored nine missions, and three are now churches with missions of their own.

John Tollison Pastor
Paul R. Becker of Elmira, now pastor of a mission in that city, was the first pastor of the Syracuse congregation. The present pastor is John Tollison.

Expected to be present for the services are W. Herschel Ford of El Paso, Tex., pastor of the First Baptist Church there and vice president of the convention; A. B. Cash of Atlanta, secretary of the Pioneer Missions Department for the Home Mission Board; and Charles Magruder of Buffalo, area missionary for upstate New York for the Ohio State Convention of Baptists.

baptisms during 1961 were listed at 1,352,371, an increase of 3,131 for the year. Marriages recorded increased 366 to 319, 847. During last year 356,878 Catholics died in the U. S., 8,349 more deaths than in the previous year.

The number of Catholic clergy rose to 55,581, the largest ever recorded and an increase of 899 in a year. The directory reports 33,774 or 633 more diocesan or secular clergy and 21,807 religious order priests, and increase of 266. In 1961 there were 1,879 newly-ordained priests.

234 In Hierarchy

There are 234 members of the hierarchy in the U. S. listed in the 1962 Directory — an increase of fourteen. This figure include five cardinals, 34 archbishops and 195 bishops.

Citing 1945 as the beginning of the nation's school enrollment boom, the directory noted that since then Catholics have increased their educational institutions from 10, 912 to 13,888 — a gain of 27.3 percent. Student enrollment in those years rose from 2,590,660 to a present total of 5,780,536 — or 123.1 per cent.

An upward trend in Catholic college and university enrollment was reflected for the ninth year. With current enrollment now totalling 336,604, there was an increase of 14,605 college-level students in 1961.

The directory reports a total of 5,397,678 pupils in Catholic high and elementary schools — an increase of 121,604 during the past year. Of the total number of pupils, 945,785 were enrolled in secondary schools, diocesan, parish and private, while the remainder, 4,451,893, were in elementary schools.

Another 3,749,522 public school children receive religious instruction under Catholic auspices, the directory notes, while 12,832 students are accommodated in 127 protective institutions.

These figures, totalled with the number of students enrolled full-time in Catholic educational institutions, gives a grand total of 9,543,890 persons under Catholic instruction in the country.

A total of 947 Catholic hospitals in the U. S. were reported as having bed capacities of 152,912, an increase of 1,660 more beds over the previous year. The 818 general hospitals have 141,331 beds, while the 131 special hospitals accommodate 11,581 patients.

A record high of 14,442,188 patients — many of whom were non-Catholics — were treated in Catholic hospitals in 1961.

THE LONG AND THE SHORT OF IT—During Christian Home Week, Poplar Springs Drive Church, Meridian, honored the couples who had been married the shortest time and the longest time. 288 Missionaries Needed Now

288 More Missionaries Urgently Needed Now

Dr. Elmer S. West, Jr., secretary for missionary personnel, reported that the Board has 288 urgent requests for additional missionaries. "These are by no means all the needs, but they are the ones the area secretaries feel are most pressing," he said.

Urgent calls have come from all countries for preachers and

religious education and student workers.

Peru needs five couples for evangelism and Mexico, six.

A minimum of five couples are requested for religious education in the Orient, and both religious education and student workers are needed in the Near East.

There is critical need for a minimum of 13 teachers for Baptist secondary schools in Nigeria and Ghana. Most of these requests are for teachers with master's degrees in science and mathematics, but English and history teachers are also needed. Unless three teachers are secured for Sadler Baptist Secondary School in Ghana by September its work will be greatly curtailed. At least three theological professors are needed for the young seminary in Beirut, Lebanon.

Pakistan has a pressing need for medical personnel; and

nurses are urgently needed in many countries, especially in the Near East and Latin America.

Single women are also needed for Woman's Missionary Union and youth work in Spain

and social work in Hong Kong.

And there are requests for a couple for agriculture evangelism in Korea and a man trained in radio and television for Japan (Formosa).

The answer is not in trimming requirements in order that more may go, Dr. West stressed, "for to send more missionaries out is to solve only half our problem. Those who go must have qualities which will keep them there. To go is admirable, but it is not enough.

Even to stay is not sufficient.

Rather, having stayed, we must allow Christ to love people through us.

"When a missionary was leaving his adopted country for foreign lands, a university student urged him to remind Southern Baptists that missionaries of high caliber are still urgently needed. 'We need more missionaries,' the student said, 'but not just anyone. We need Christians of spiritual strength and mental power. We need them with insight and compassion. We need them to walk with us until we can walk with others.'

Dr. West said there is encouraging evidence of a "new upsurge of mission concern among young people throughout the Southern Baptist Convention."

A total of more than 3,100 college students attended the five mission conferences which have been held on theological seminary campuses since February 1, and 735 persons attended seven medical mission conferences this winter. Personal secretaries are also finding more concern for overseas service among seminary students.

THIRD MISSION BASE OPENED IN VIETNAM

Southern Baptist missionaries established a third center of work in Vietnam on April 4, when Rev. and Mrs. William T. Roberson and children moved to Nha Trang, influential coastal city. There they hope to establish a strong Baptist witness that will reach out into the populous surrounding area.

The Robersons had been living in Saigon, the capital, which was the only center of Southern Baptist mission work for nearly two years after the first missionaries entered the country in late 1959 (and it is still the site of the only established program of work). Last fall three couples settled in Dalat, strategic mountain city, making it a base for language study, for the writing and translation of publication materials, and for a survey of the country. This distribution of missionaries leaves one couple to supervise the work in Saigon.

Worship in Home

Although the Robersons were primarily engaged in language study from the time of their arrival in Saigon in early 1960, they also opened their home for a worship service, from which grew two chapels, one for Americans and one for Vietnamese. Mr. Roberson served as pastor for both chapels (at different times), and Mrs. Roberson taught a Bible class for the Vietnamese.

Mr. Clark, native of Tullos, La., and Mrs. Clark, the former Kathleen Hyde, native of Pineville, have a son, Stan, two. They were among 14 missionaries appointed at the May meeting of the Foreign Mission Board, bringing the total of Southern Baptist foreign missionaries to 1,579.

BAPTISTS AND THE CIVIL WAR DOMESTIC BOARD ASKS

INDIAN MISSION FUND

MARION, ALA., APRIL 1, 1862 (BP) — M. T. Sumner, corresponding secretary of the Domestic Missions Board of the Southern Baptist Convention, issued an urgent appeal for funds to support the work of the Indian missions.

In a letter published in the Christian Index, Secretary Sumner wrote, "The disturbances in the Indian Territory have greatly injured our brethren, and left some of them almost penniless."

The missionaries have appealed to the missions board for special assistance but the funds of the board are depleted.

Sumner stated in his letter that the board does not even have the \$2,000 already due the missionaries at the end of April.

The severe economic problem at this time has been caused by the arrival of the Union forces among the Indian nations. As a result there has been extensive defection among the servants of the missionaries.

Some of the missionaries have left their fields to find means of supporting themselves. A. E. Vandiver has left the field temporarily and gone to Texas to try to effect some financial arrangement for carrying on his work.

This arrangement has also proven very advantageous financially. The expenses of the native workers are only one-third that of the missionaries sent out by the Domestic Missions Board.

REPORTING ON CONVENTION? MISSION BOARD OFFERS HELP

ATLANTA (BP) — Southern Baptists attending the denomination's convention June 3-6 in San Francisco will have help from the Home Mission Board in reporting their trip and meeting.

Courts Redford of Atlanta, executive secretary of the mission agency, announced preparation of items designed to make the traveler's trip more meaningful and to help them tell others about their trip.

The board is offering, on a share-the-cost basis, 35mm color slides on California, San Francisco and other mission points, as well as slides of some of the convention personalities. These will be available at the home mission booth during the convention.

For the trip to an from the convention, the May issue of Home Missions Magazine was produced as a national travel guide, presenting maps, Baptist history, and locations of institu-

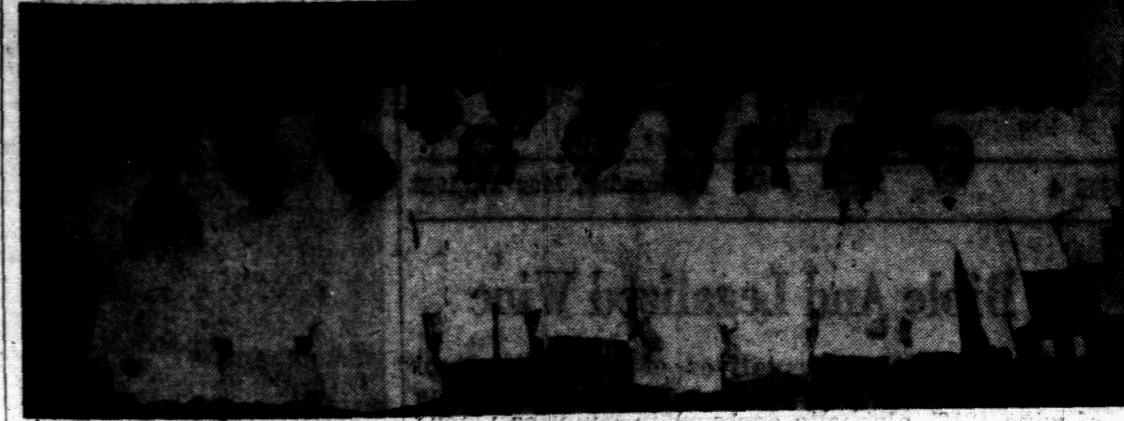

tions and mission points.

Meet the Missionaries

An opportunity for the convention messenger to meet the missionaries has been provided through a reception from 3 to 5 PM, June 6 at the Vista Room, Whitecomb Hotel in San Francisco.

The presentation of home mission work to the convention on June 7 stresses the people, places, and progress in mission work.

"The convention messenger who spends his time wisely in travelling to and from San Francisco, and who participates in the proceedings while there, will return home with an exciting report of what Southern Baptists are doing, both at home and abroad," Redford said.

HILLCREST CHURCH, Jackson, will present the Junior Girls' Choir in a special service on Sunday evening, May 20, at 7:30 o'clock in the sanctuary of the church. The Bible And Legalized Wine

The House of Representatives of the Mississippi Legislature last week approved a bill legalizing the sale of wine (21% alcoholic content) in counties where the people vote approval. We certainly disapprove of this bill and hope that it will be defeated in the Senate, or, if passed there, will be vetoed by the governor. Legalized liquor of any kind can only be a curse to the state.

The press reports that some members of the legislature quoted scripture to prove that it is all right to drink wine, and that it should be legalized in the state. Those who make such arguments have simply failed to read enough scripture, and to properly interpret that which they have read.

It is true that Jesus made wine at the wedding in Cana of Galilee, and that Paul advised Timothy to drink a little wine for his "stomach's sake." There is no proof, however, that the drink which Jesus made, or that which Paul advised Timothy to use, had a high alcoholic content similar to that which is allowed in the bill the House of Representatives has passed.

Bible Scholars Interpret

Many Bible scholars say that because of the difficulty of obtaining pure water, and because of the lack of proper sewage systems, the common drink of the people of Palestine was mild wines or juices, which as used were not ordinarily intoxicating. Of course, people could misuse them and become drunken. We can be absolutely certain, however, because of what we know about Jesus, that he did not make, nor give to the people, any drink which would cause drunkenness.

Likewise the passage in Timothy is completely misinterpreted when used as an argument for the regular use of intoxicating beverages. The New English Bible which is translated from the oldest manuscripts reads "Stop drinking nothing but water; take a little wine for your digestion, for your frequent ailments. (1 Tim. 5:23). Wine and oil were used medicinally in those days. It is probable that Paul was simply quoting from Luke, the physician, who was with him, telling what Timothy was to do for his digestive ailment. Note, also, that it was a "little wine" and it was "for the stomach's sake."

There is absolutely nothing in these passages, nor in any other passage in the Bible which can be used as an argument for approval of the use of highly intoxicating beverages simply for social drinking.

Bible Strong In Condemnation

Indeed the Bible is very strong in its condemnation of intoxicating beverages and of wine itself. Those individuals who used the Bible to argue for wine, should have read further. Listen to what the Bible says:

"Be not drunk with wine, where in is excess." Ephesians 5:18.

"Wine is a mocker, strong drink is raging: and whosoever is deceived thereby is not wise." Proverbs 20:1.

"Who hath woe? who hath sorrow? who hath contentions? who hath babbling? who hath wounds without cause? who hath redness of eyes? They that tarry long at wine; they that go to seek mixed wine. Look not upon the wine when it is red, when it giveth his color in the cup, when it moveth itself aright. At the last it biteth like a serpent, and stingeth like an adder." (Proverbs 23:29-32. See also verses 33-35).

"Woe unto him that giveth his neighbor drink. . ." Heb. 2:15.

There are numerous other passages which could be quoted. Both the Old Testament and the New Testament condemn drinking and drunkenness. Jesus condemned drunkenness, and Paul warned that the drunkard could not inherit the kingdom of heaven."

We are sure that if the individuals who used Scripture to prove they should approve the legalization of wine, had been completely honest and had simply read more scripture, they would have been slower in making such claims for the Bible.

Drunkenness On Wine

Wine of high alcoholic content will make a person drunk, in the same way that other alcoholic liquors will make him drunk.

A person drunk on wine will be just as much a problem to his family and to society, as will a person drunk on any other beverage.

A person partially intoxicated on wine will be just as much of a killer on the highways as will any other drinking person.

Wine will degrade and curse youth, and give a desire for alcohol, just as much as any other alcoholic beverage.

Already it is reported that one legislator, on his way home from last week's legislative session, was asked by group of teenagers, "How long is it going to be before we can get this wine?" This legislator returned to the House Monday and changed his vote from approval to disapproval of the bill.

Sad will be the day for Mississippi when any part of our prohibition laws are repealed. What the state needs instead of repeal is teeth put into the laws to bring about better enforcement of prohibition.

A Bad Bill

The bill which has been passed by the House is a bad bill and can only be a curse to Mississippi. It can only further the breaking down of morals and moral standards in the state. As some one is quoted as saying on the floor of the legislature, "This is the first step toward the legalization of liquor in Mississippi."

This bill should be defeated in the Senate. Persons opposed to it, should immediately contact their senators and make that opposition known. We can be sure that the wet forces will use every pressure to secure passage of the bill. The drys must be just as alert and active.

If, by the time this editorial appears, the bill has already been approved by the senate, then citizens all over the state should contact the Governor immediately. Letters, telegrams, calls, and other means of communication should be used to let him know that citizens all over the state do not want this bill signed.

Christian citizens of Mississippi must be alert and active now, if they do not want to see liquor legalized in the state. As bad as the situation now is in some areas, it will be far, far worse, if legal liquor is allowed to come. That must not be. It is time for dry action now.

(Note at press time we have learned that, because of an error in the wording of the House passed bill, even if it is passed by the Senate, it will have to be returned to the House for further consideration. In the light of this many people may want to contact their representative.)

New Books

THE NEW TESTAMENT, AN EXPANDED TRANSLATION

By Kenneth S. Wuest (Eerd-mans, 623 pp., \$5.95).

For many years Bible students have purchased, as they appeared, one after another of Dr. Wuest's books presenting the full meanings of New Testament Greek passages and words. Now in this one volume the riches of the Greek of the entire New Testament are brought out. This is not just another translation, for it is much fuller than ordinary translations. Here the order of the Greek words is followed, different words are carefully distinguished, the action found in Greek tenses is presented, and the emphasis and contrasts provided for in the Greek language is indicated. The paragraphing helps to clearly present the units of thought. One does not have to be a Greek scholar to find great help in these pages, for it is actually written for the one who does not know the language. The book should be a delight and joy to every earnest student of the Bible.

Hospitality Room Obtained For Convention

Dear Sir:

As chairman of the Hospitality committee for the convention, I am most anxious to be of real service to those attending. In order to provide the hospitality that we desire, I have arranged to have a very beautiful suite at the convention hotel to be used for a hos-

pitality room. It will be open from 9:00 a. m. to 10:00 p. m. on Monday, June 4th, and from 9:00 a. m. until 5:00 p. m. on June 5th. The convention will begin that night, so there is little use in having it open after that.

This room will be for ALL to use. We urge every messenger and his family to make use of it. Although it is to be in the convention hotel, the St. Francis, we are most anxious that it be used by everyone, regardless of where they

will be staying. It will be a fine place to meet old friends and to establish new ones. Coffee and sweet rolls will be served throughout the day and evening. Because of the expense involved, we are most anxious that the room not be wasted by non-use. It is our hope that crowds will be using it constantly . . . at no expense to them!

Instead of congregating in a crowded lobby, it will be much easier and more convenient to go to the second floor to the beautiful Olympic Suite and meet and talk with friends. It will be a terrible waste of money if it is not used.

The place: OLYMPIC SUITE Rooms 214-217, ST. FRANCIS HOTEL.

The Time: MONDAY, JUNE 4th — 9:00 a. m. until 10:00 p. m.

TUESDAY, JUNE 5th — 9:00 a. m. until 5:00 p. m.

The purpose: MEET AND GREET FRIENDS; DRINK COFFEE, TALK OVER OLD TIMES, NEW TIMES, PLAN FUTURE TIMES.

Thank you for your courtesy, and hoping to see you in the hospitality room, I remain

P. N. Tilden, Committee On Promotion, San Francisco SBC.

A Higher Law

A court in Michigan has upheld the legality of a fine which a labor union imposed upon a woman because she attended church, instead of going to union meetings held on Sunday morning.

We have no brief against labor unions, except as they misuse their power, but we certainly disapprove of their holding meetings on the Lord's Day, and for imposing a fine on a member who believed that her first duty was to God, and attended her church instead of the union conclave.

We are also of the opinion that the court was wrong in its decision, and we hope this case will be carried to a higher court, where the decision may be corrected.

Individual men and women are under a higher law than those of either the union or the nation. The woman was obeying this law, when she chose to put her church ahead of her union. Peter said "We must obey God rather than man."

It will be a tragic day in this nation if the courts hold that man's duty to unions or to any other man-made organization, are higher than his duty to God.

The Reception Above

To die is not to die. So it seems, at least, for the Christian.

Among the many evidences of this is the resurrection of Jesus which guarantees the resurrection of all who would follow him. We are told that after his death and resurrection Jesus was "received up" (Acts 1:22). The reference, presumably, is to what we sometimes call the ascension.

There is significance, however, in the fact that the ascension into heaven is referred to as a reception. So, for Jesus, death led not to des-

truction and despair but to a welcome in heaven with its eternal joy.

If so, then faith in him provides a ground for hope that a welcome reception beyond death awaits the Christian also. As a matter of fact, thoughts along this line prompted Paul to say: "Oh death, where is thy sting? O grave, where is thy victory?" (I Cor. 15:55).

The answer to this rhetorical question is that, for the Christian, death holds neither sting nor victory. Rather is death a doorway to the welcome reception above.

Baptist Beliefs

CONVICTION

This is the state of mind and heart whereby a lost person is brought to admit his sinful nature and practice. Apart from this experience there can be no salvation from sin (cf. Luke 18:9-14). Conviction is the work of the Holy Spirit.

The Holy Spirit reproves or convicts of "sin . . . righteousness . . . and of judgement"

(John 16:8).

"Of sin, because

they believe not on me;

of righteousness, because I go to my Father, and ye see me no more;

of judgement, because

the prince of this world is judged"

—A TRUE STORY Once Upon A Time

There Was a Church:

A small new church with an old dwelling for a meeting place. The old building was too small, and besides, it was about to fall down because the partitions had been removed to make room for the congregation. The membership of this church was 85, Sunday School enrollment was 125 with an average attendance of 65. This church had to have a building, but they had no money. All the members were working people, and they were giving 12% to World Missions through the Cooperative Program.

When they adopted the budget for the new year they decided that they could not build with mission money; so they continued the 2 plus plan and increased the Cooperative Program gifts to 14%. They also began a building program. They raised enough money to pour the foundation, and from there they spent the money as it came in until they completed enough of the building to borrow some money to get it where they could use it.

They Took Census

Each year for a period of five years they took a census and raised the cooperative program giving by 2%, and cooperated with each undertaking of the association.

These included two simultaneous revivals, two county wide census, one associational-wide evangelistic campaign, three associational Sunday School training schools and two Training Union central schools. The members served in associational organizations and the pastor was active in associational leadership.

The church provided space and raised the enrollment of the Sunday School to 325 with average attendance of almost 200, baptized an average of 35 per year for the five years. At the end of the five years they were giving 22% through the Cooperative Program and 3% to the Associational Mission Program.

They had bought a house and lot and were using the house for the over flow of their Sunday School. They bought a pastor's home and completely renovated it; this all at a cost of approximately \$30,000. Of this amount, they owed approximately one-half or \$15,000. All payments were being made on time.

Then They Got Scared

They cut their mission giving in order to pay their church debt. They became involved in their own program (they decided to concentrate on quality instead of numbers). They withdrew from actual participation in the Associational Program, and reduced their financial support of the Association. In the next four years, no census was

taken, and no real emphasis on increasing the enrollment in Sunday School was made.

Note This:

They were in the same place with the same possibilities. They just decided that they, their church, needed all the money and efforts of the members. The old idea that when we get our debts paid we will give more to missions. Now see the results: In these four years the Sunday School enrollment went down from 325 to 200, the average attendance from 195 to 65, and the total gifts from \$15,000 to under \$14,000. Mission giving went from \$3,070 to \$1,200 and Cooperative Program from \$2,700 to \$700. The church baptized, in these four years an average of less than 10 people.

This is a true story taken from the Annals of the Mississippi Baptist Convention and from the minutes of an Association in Mississippi.

The moral to this story is that you cannot build church buildings with mission money and have the Lord's blessings upon you and you cannot build churches without concern for the people. — Tri-County Trumpet, Columbia, Miss.

California Baptists Make Plans For Next Century

SAN FRANCISCO (BP) — "Winning California to Christ" dominates the purposes of Southern Baptist leaders in the golden state which will be hosting the 1962 convention here in June.

Southern Baptists will be meeting in the Far West for the second time. This year's host city — San Francisco — was the convention site in 1951. People in California are becoming aware of Southern Baptists. A Los Angeles Times writer described the denomination as "the fastest growing major sect in California."

One leader in the state is predicting the denomination will be largest in California by the end of the century. "I have every reason to believe that Southern Baptists will be the largest denomination in California," said W. A. Carleton, dean and vice-president of Golden Gate Seminary, Mill Valley, Calif.

J. Kelly Simmons, Fresno, editor of the statewide news magazine, The California Southern Baptist, agrees with Carleton.

People are moving into the State of California at the rate of 36,000 a month. It is predicted by some that in 10 years California's population will lead the nation. Conservative estimates place California's population in 30 years at more than 35 million people.

Began In Small Way

The Southern Baptist General Convention of California, a statewide body, was organized Sept. 13, 1940, with 13 churches totalling 1,038 members. Now 900 churches and missions are affiliated with the convention, having over 165,000 members.

State leaders have as a goal establishment of 100 new missions during 1962.

Headed by Grady C. Cothen of Fresno as executive secretary, the state convention has work with various language groups, including Latin-Americans, Portuguese, Russians, Japanese, Chinese, Indians, Koreans, International students, Hungarians and Italians.

The convention operates California Baptist College in Riverside, Sunny Crest Children's Home at Bakersfield and a subsidiary corporation, California Baptist Foundation.

— THE SUNDAY SCHOOL LESSON

The Day Of The Lord

By Clifton J. Allen
2 Peter 3: Jude

There is much similarity between 2 Peter and Jude. The writer of one seems to have the letter of the other before him. The authorship of neither one can be settled with certainty, but that does not affect their value as a part of the inspired scriptures, perhaps the two letters were written about A.D. 66 or 67, or maybe A.D. 80-90. Both letters are directed chiefly against false teaching, particularly against the heresy of gnosticism. A major doctrine set forth in the two letters has to do with the certainty of a coming day of judgment. The writers were contending for the faith of the gospel and urging their readers to resist error, to put supreme value upon Christian virtue, to prepare for the certain coming of the Lord, and to anchor their faith in the God of mercy and righteousness and judgement.

We have a barrage of talk and writing about the end of the age and the judgment. By radio and press, by tracts and house-to-house visits, propaganda is foisted on immature and unstable minds. Multitudes of persons are deceived by error. And multitudes are indifferent in spiritual ignorance and unbelief.

The Lesson Explained
Certainty of the Judgment (2 Peter 3:3-10)

Christians should not be surprised by those who mock their faith and deny the gospel. But they need to be prepared to answer them. Infidels and unbelievers scornfully say, "Where is the promise of his coming?" They say that people die and generations pass on and things continue as they always have since the beginning of time. Such per-

sons prove their character by their lives of lust and pride. such persons foolishly forget that the wicked were once destroyed by the Flood, which is assurance that God will fulfill his word and one day destroy the world by fire. God's time schedule is very different from that of men. A day is short and a thousand years equally short for the God of all eternity. The time of the coming day of the Lord is uncertain, but the fact is absolutely certain.

God's delay is bringing this age to an end is due to his mercy. He yearns for the wicked to repent and for the ungodly to be saved with a tenderness and concern infinitely beyond our comprehension.

This fact, however, does not cancel out the judgment. In God's own time, the Lord will return, as unexpected as a thief; and all the things of the material universe will give way to the establishment of his eternal kingdom of righteousness.

Preparation For The Judgment (2 Peter 3:11-13)

The fact that the Lord will return and that the judgment day is coming has implication for the way Christians live. Because all earthly values will be destroyed, our hopes should be set on things eternal. Inasmuch as Christians are redeemed from sin and are assured of an inheritance which is eternal and incorruptible, they ought to strive to live now in keeping with moral perfection of the eternal life.

Now is the time to prepare to meet God. — How foolish to be like the unrepentant at the time of Noah when the Flood destroyed the wicked, or like those in Sodom and Gomorrah when God destroyed the cities with fire and brimstone! Jesus described the wise and foolish virgins. The time came when the door was shut, and the unprepared were shut out forever. The preparation needed is genuine repentance for sin, personal faith in Jesus Christ the Saviour, and fidelity to his principles and his work.

Teaching about the end of the age should be tested by the Bible. — There are persons who have claimed special visions and special revelations, and their followers

RETURNS TO MISSISSIPPI

Rev. Chester T. Estes, Jr., who has been pastoring the Knights Church, Knights Florida, for the past two years has returned to Mississippi. Mr. Estes pastored the Center Grove Church in Lauderdale Association prior to going to Florida, his native state.

Mr. Estes found Christ as his Saviour in 1950 after spending 16 years in the Roman Catholic faith. He was ordained by the First Baptist Church of Ocean Springs in 1956 soon after entering Clarke College. He finished Clarke in 1958.

During Mr. Estes' ministry at Knights the church experienced growth in many areas. The Cooperative Program gifts increased from \$697 to \$1106 in the two year period. In the same period, mission gifts were increased from \$1501 to \$2392 with \$327 going to Lottie Moon Christmas offerings in 1961.

Rev. and Mrs. Estes are members of the Emmanuel Baptist Church of Jackson. They make their home at 1244 Morson Road, Jackson. Rev. Estes, a Chalk Artist Evangelist, is available for pulpit supply and any other work of the Gospel ministry. Rev. Estes can be reached by calling FL 2-1047.

zealously proclaim the man-made schemes of unbalanced minds. Let us be forewarned and clearly instructed. The Christian message is found in the New Testament. Jesus Christ will return. Every person will see him. The living and the dead will appear before him in judgment. The

Seminary Launches New Experiment

LOUISVILLE (BP) — An experimental theological education program will take teams of Southern Baptist Theological professors to different cities for teaching assignments next fall.

Four pilot areas — one of which will be Atlanta — with a concentration of Southern Baptist churches are being se-

lected for a week of special seminary courses for church staffs and laymen, said Ernest J. Loessner, Louisville, chairman of a faculty committee on continuing education.

Three professors will be the teaching staff for each city. Classes will be held in the mornings for pastors and other

members of church staffs. Laymen will be invited to attend evening courses with their ministers.

Will Select Courses

Committees in each city will select seminary courses to meet specific needs, the seminary reported. These courses will be part of a general curriculum

of theology, Bible, Christian ethics, pastoral counseling, religious education and church music subjects.

Major purposes of the seminary education project are to provide refresher and new studies for church staffs and to conduct discussion seminars for pastors and laymen, said

Loessner. These are non-credit courses.

Teaching Seminary courses in communities will be considered a part of each participating professor's regular seminary assignment.

Classes will be held in a centrally located Baptist church. Local sponsors' only financial responsibility will be for publicizing the courses and paying travel expenses for visiting professors.

New Director of Assemblies Named

IF YOU DON'T DRINK

THIS IS THE NEW LOW-COST HOSPITALIZATION PROTECTION YOU ARE ENTITLED TO

Pays \$100.00 Weekly from First Day for Life to Readers of BAPTIST RECORD
NO AGE LIMIT ★ NO WAITING PERIODS ★ ONLY YOU CAN CANCEL

If you are the one American in four who does not drink, the Gold Star Total Abstainers' Hospitalization Policy will pay you \$100.00 a week in cash, from your first day in the hospital and will continue paying as long as you are there, even for life!

If you do not drink and are carrying ordinary hospitalization insurance, you are of course helping to pay for the accidents and hospital bills of those who drink. Alcoholism is our nation's #3 health problem, ranking immediately behind heart disease and cancer! With the GOLD STAR PLAN you are not called upon to help pay the high bills for the ailments and accidents of those who drink. GOLD STAR rates are based on the SUPERIOR HEALTH RECORDS of Non-Drinkers!

For the first time, you can get the newest and most modern type of hospitalization coverage at unbelievably low rates, because the Gold Star Policy is offered only to non-drinkers. And your low Gold Star premium can never be raised because you have grown older or have had too many claims. Only in the event of a general rate adjustment up or down for all policyholders can your rate be changed!

One out of every seven people will spend some time in the hospital this year. Every day over 64,000 people enter the hospital—47,000 of these for the first time!

LOW RATES FOR NON-DRINKERS

With a Gold Star Total Abstainers' Hospitalization Policy, you receive \$100.00 per week in cash, as long as you remain in the hospital; starting from your very first day there, for either sickness or accident. If your hospital stay is less than one week, you still collect at the rate of \$14.29 per day. Even if you are already covered by another policy, the GOLD STAR PLAN will supplement that coverage, and will pay you directly, in addition to your present policy. And your benefits are tax-free!

This wonderful, generous protection costs only \$4 a month for each adult, age 19 through 64, or \$40 for twelve full months. For each child under 19, the rate is just \$3 for a month's protection. And for each adult of age 65 through 100, the premium is only \$6 a month, or \$60 for a full year.

And remember, with Gold Star, the NO LIMIT Hospital Plan, there is NO LIMIT on how long you can stay in the hospital, NO LIMIT on the number of times you can collect (and the Company can never cancel your policy), and NO LIMIT on age!

Compare this plan with others. We welcome comparison because the GOLD STAR PLAN pays from the very first day (we can't pay any sooner); and it pays forever . . . as long as you remain in the hospital (we can't pay any longer!).

OUTSTANDING LEADERS SAY:

Dr. Robert G. Lee, Pastor Emeritus, Bellevue Baptist Church, Memphis, Tenn., and three-time President, Southern Baptist Convention:

"After looking over and reading what is said in the Gold Star Hospitalization Policy, I must say that it is the most unique and unusual and appealing policy I have ever heard of. For your part in making known to me this wonderful policy and the benefits thereof, I am, and shall be as long as I live most grateful."

Hon. Strom Thurmond, United States Senator, South Carolina:

"There are many reasons why I do not use alcoholic beverages, one of them being the ill effect which alcohol can have on a person's health and life. I have been pleased to learn that there is an insurance plan available which offers non-drinkers an opportunity to capitalize on their decision to abstain from the use of alcoholic beverages."

Dr. Herschel L. Ford, Pastor of First Baptist Church, El Paso, Texas, Vice President, Southern Baptist Convention:

"You are rendering a tremendous service in providing a low-rate hospital policy for non-drinkers. Thousands of Christians throughout America should take advantage of this offer in order to secure adequate protection for themselves at a cost much lower than the protection provided by other companies."

READ WHAT A BLESSING THIS PROTECTION HAS BEEN TO OTHERS

Mr. Ernest Rockwell, Moss Point, Mississippi: "We appreciate so much the manner in which the payment was taken care of. This was truly a blessing in time of need."

Mr. Paul Silvey, Macon, Mississippi: "I am very well pleased with the service you have rendered me in connection with my Gold Star policy, and am glad to recommend it to my friends."

Mrs. Clara Bell McGeehee, Summit, Miss.: "It gives me great pleasure to tell you how much I appreciate a company like yours. Your promptness in paying my claim gives me a high regard for you. I have used my policy twice since I purchased it. I highly recommend you."

Mrs. Vonnie Sykes Bain, Kilnichael, Miss.: "I like your insurance plan very much. It isn't too expensive per month and it pays its claims on time. Thanks very much for the check. I hope to be a member of your plan for a long time."

Mrs. Lucille Wallace, Crystal Springs, Miss.: "I wish I had the appropriate words to express just what I think of your insurance. To me it is the very best. I had this insurance only a few months, and you paid off right away. I wish everyone could avail themselves of this kind of insurance. It proves just what Christians will do. I thank you most sincerely."

L. B. Barrett, Meridian, Mississippi: "It has been my misfortune to be confined to the hospital once and my wife twice since we have had a policy with you. I want to recommend your insurance to anyone, for it really helped us in time of need."

This is the same **GOLD STAR PLAN** as offered in over 200 other leading publications, including the following:

The Significance Of A Name

By Dr. Allen Webb, Pastor
Daniel Memorial, Jackson
Proverbs 22:1

"A good name is rather to be chosen than great riches." A man's name is one of the most precious words that he ever hears spoken. It is his priceless possession. That name calls attention to the man in his totality. It appeals to his ego and answers the desire of the person to receive recognition. Many times children will engage in revolting and disobedient activities in order to attract attention and to hear their names called before a group.

The fact of the name is not nearly as significant as the meaning of the name. In the Old Testament names were given to different children because of the meaning of the noun or verb before it was bestowed upon the child as an individual designation.

Abraham meant "Father of a Multitude." This indicated a particular position he was to hold. Jacob meant "Supplanter" which indicated a characteristic of his life. When God changed his name to Israel, he also changed his character to become "Prince or ruler with God." Christ meant "God's Anointed" and Jesus meant "Savior." When put together it meant "God's Anointed Savior."

Today, very little, if any, thought is given to the meaning of the name that is given to a child. It is generally a name that is pretty to the parents or the name of a friend, loved one or some outstanding personality. There is no particular meaning that is thought of in the name of a child. It is the person who in youth and adult years gives a meaning to his own name. For instance: Billy Graham means Evangelism. George Truett means dynamic pulpiteer. Lottie Moon means Foreign Missions. It is the usual thing that when a person greatly excels in an area that the name takes on the meaning or characteristic of that strength.

What does your name mean? You give meaning to your own name and others associate that meaning with your name when it is called. Does it mean faithfulness or laxity? Does it mean soul winner or lack of concern? Does it mean love or bitterness? Does it mean Christian stewardship or selfishness?

There are some men whose names suggest "Godly Deacon." There are other names which suggest "Dedicated cooperation." Others suggest "Power in prayer."

The meaning that you give to your name determines your influence for Christ. It cannot be made outstanding over-night. Just as it takes time to build a house, so it takes time to build a life and a name. A man's name may outlive his physical life by hundreds or thousands of times. Since this is true, we need to give constant attention to the meaning that we are giving our name every day that we live.

"A good name is rather to be chosen than great riches."

Anniversary Crusade

In Mexico Wins 2,689

Special evangelistic services celebrating the 100th anniversary of Baptist work in Mexico resulted in 2,689 professions of faith in Christ. Indoctrination classes were started immediately so that many of the new believers can be baptized on Easter. A visitation program and other follow-up efforts to conserve the results are also under way.

Most of the professions were made during a nation-wide simultaneous evangelistic campaign conducted in the 15 Baptist associations March 4-11. Week-long services in the churches produced 2,075 decisions, and large evangelistic concentrations held on Saturday night in nine centers produced 385.

The additional 229 professions were made at two evangelistic concentrations, March 30 and April 1, which preceded the centennial meeting of the National Baptist Convention in Monterrey. (Monterrey was headquarters for the father of Mexican Baptist work, Irishman James Hickey, an itinerant preacher and colporteur.)

Organized By Haste
The evangelistic campaign and mass meetings were organized under the direction of Southern Baptist Missionary

Ervin E. Haste, evangelism promoter for the National Convention. Assisting with the preaching were evangelists from Guatemala and the United States. Radio announcements and programs, newspaper articles, and posters publicized the campaign in many cities.

"When we think of large numbers of professions of faith, we sometimes forget that the real victory is won in the individual heart as each person yields himself to Jesus Christ as Saviour and Lord," Mr. Haste says.

Wildwood To Celebrate 12th Anniversary

Wildwood Church, Laurel, celebrates her 12th Anniversary May 27 with a homecoming day. This annual occasion has been on the first Sunday in June each year, but due to the Southern Baptist Convention, it is being changed for this year only.

All former members and friends are asked to note the change of date, and are invited to attend. Lunch will be served on the church grounds. The pastor, Rev. J. M. Foy, will bring the messages.

The records reveal that there has been more than 125 additions per year these 12 years. The Sunday school enrollment is now 765, with an average attendance of 435.

Concord Plans Homecoming Day

And without exception they told of plans for playing in revival meetings, assisting the regular organist in the home church or playing for Bible schools. New Orleans Seminary Alumni Make Plans for San Francisco

Alumni of New Orleans Seminary expect an attendance of approximately 350 at their annual meeting at the Southern Baptist Convention in San Francisco, according to Dr. Beverly Tinnin, Mississippi alumni president from Meridian, and pastor of Meridian's First Church.

The annual meeting, a breakfast, is scheduled for Del Webb's Towne House, Market at Eight, June 8 at 7 a. m. New Orleans' Convention-wide alumni president, R. Houston Smith, Pineville, La., will preside.

Featured on the breakfast program are Seminary President H. Leo Eddieman, J. mar Association as Intermediary Sunday School leader and R. A. counselor.

A 1959 graduate of William Carey College, he is 7th grade teacher and coach at Sunrise school in Forrest County,

Hardee Kennedy, dean of theology, and California alumni Grady C. Cothen, Fresno, and Joseph Daniel, Hollywood.

Since the manager of Del Webb's will have to be advised of the final figure for the breakfast at an early date, alumni are urged to write the Seminary immediately to make certain they have a reservation. The price of each ticket is \$2.

Two items of business will occupy the attention of alumni — consideration of the constitution which was first presented in St. Louis and a presentation of the Living Endowment Program, a plan to provide aid to Seminary students who normally expect to engage in secular work while carrying an academic load.
